

**110EN-part 1-THE THIRLD WORLD WAR-HOW LONG IT WILL LAST ACCORDING
TO DANIEL AND APOCALYPSE - Jeremiah 23-25 Daniel 10 Zechariah 3-6
Habakkuk 2-3 Amos 2-4**

This theme has been recorded on the 08th/07/2023

The peace of CHRIST, beloved brethren, the little flock of the LORD JESUS CHRIST! We greet you on the holy day of the LORD, on the seventh day of the week, the Sabbath. We wish that all HIS people in this world may prosper in the knowledge of GOD and of HIS character and HIS Word, at the same time. We are in the five hundredth day of the war between the red power and the democrat power in this world. We are after five hundred days of war and destruction in this small country of Ukraine that looks like it neither belongs to Asia or dictatorships, nor does it belong to Europe. It looks like a country on the border of the western world and the eastern world. And yet, the LORD has allowed the sign to be given of what will soon happen in this world. We are after five hundred days of advancing in the knowledge of the prophecies of the last days and as all those who have followed these themes know, since a year and a half ago, we are in the process of being able to understand Daniel, chapter eleven and twelve. Daniel, chapter eleven, is the most difficult to understand, as it is announced in the book of Daniel, chapter twelve, verse nine, "Go Daniel, for these words are closed up and sealed until the time of fulfillment", that is, until the time of the end when it will be fulfilled. The eleventh and twelfth chapters of Daniel are one chapter, they are one vision together with a part of chapter ten. It starts from chapter ten when the angel comes to Daniel and speaks to him. Those three chapters, part of chapter ten, then eleven and twelve, are the least understood prophecy in the whole Bible and I am sure that many prophecies in the book of Revelation have not been truly understood as well. We are, at the same time, as we have announced last year, in the time of the last events allowed by GOD in this world, seven plus seven plus seven, seven seals, seven trumpets, seven last plagues. 777 being the seal of GOD, or the mark, or the sign of GOD. The number seven speaks of GOD in contrast to the mark of the beast which is six, six, six. So, this time of the twenty-one prophetic events, or last twenty-one prophetic events (seven plus seven plus seven is twenty-one events), has already begun, as we have understood. However, we have always said that the light grows like the day from the rising of the sun until the sun is at the highest point in the sky. Ellen White says it this way, that the light or the prophetic understanding is going to grow, it is going to increase and it is going to be little by little, because GOD allows it so. And, however, for this to happen, GOD's wise men have to fulfill the word of Daniel twelve, verse ten, where it says: "Many shall be cleansed and made white and purified, but the wicked shall be left ungodly, and none of the wicked shall understand, but the wise shall understand". And before that, in the same chapter, verses three and four, it says: "And they that are wise shall shine as the brightness of the firmament". That is, as the stars. "And they that be wise shall shine as the stars, and they that turn many to righteousness as the stars for ever and ever." The stars, which the Bible says GOD knows their names, the names of all the stars are actually HIS wise ones or HIS saints who will turn many to the righteousness of CHRIST JESUS, that is, to the character

that GOD approves of, the character of agape love, teaching them to overcome their selfishness. And verse four: "Thou, however, Daniel, shut up the words and seal the book until the time of the end." And the verse does not end here because it adds a detail. This verse up to here, where we have read, is repeated in verse nine, which we have just read, but verse four adds a few details and says: "many shall run to and fro and knowledge shall be multiplied." This last part of verse four, actually, is translated this way. Let's look at the original. First of all, it says, "they shall go hither and thither, or hither and thither. They shall go hither and thither." That is, this is the same word that is used in two other parts of the minor prophets; what we are interested in is in Amos 8:12, where it says, "They shall wander from sea to sea, from the north even to the east, they shall seek the word of I AM, and shall not find it." This is said for the wicked, according to Daniel, chapter twelve, which we have read, verse ten, which says, "none of the wicked shall understand." None of the wicked shall understand. Why does it say none of the wicked shall understand? Because they will go to and fro in all the world, seeking to understand, seeking to understand what is happening, and they will not be able to.

They will do the same work that the righteous or the wise of the LORD will do, but some will understand and others will not understand. This is what the book of Daniel assures us. And the other place where this word is found, which is not in many places in the Bible, but in a special way, is in Daniel twelve, in Amos 8:12, which we just read, and in Zechariah 4:10. In Zechariah 4:10 it refers to the saints of the LORD, or the wise men of the LORD, because it says: "For they that despised the day of small things shall rejoice, and shall see the plummet in the hand of Zerubbabel. Those seven are the eyes of I AM that run through all the earth." Here is the word. Here it says "they run through the whole earth," but it is moving to and fro. It refers to the HOLY SPIRIT. The HOLY SPIRIT seeks, on this earth, those who purify their lives, to help them understand. Let's go back to this last part of verse four of Daniel, chapter twelve. And this verse means, in reality, that the "HOLY SPIRIT will go through the earth and in abundance shall knowledge be increased". These are the words. There are four words here. One is "go to and fro", another is "abundance", another is "increase", increase in greatness or in number or in greatness, and the last one is "knowledge", discernment, understanding, wisdom. This word is used for all four things. So this word "go to and fro," has to do with Zechariah 4:10. Knowledge is not multiplied in this world by human wisdom. Knowledge is not multiplied in this world, not even in the church, by making more theological schools to increase one's knowledge. One can have ten theological schools made and not understand anything of prophecy, because the LORD will give knowledge only to those who sanctify their lives. So, HE will give knowledge to these stars that will shine and the promise or the prophecy that Ellen White has received is that many stars that have once illuminated the way will go out in darkness. In spiritual understanding, darkness represents selfishness and light represents agape love, holiness. Darkness is the darkness of selfishness. Some stars have illuminated, have walked in agape love and have been able to receive light from the HOLY SPIRIT, but, finally, they have ended in selfishness. Remember Balaam who was once used by the LORD, was a prophet, but then ended up in selfishness, and many others who have ended up in the same way. But the Bible assures us that there will be some stars that

will maintain their position and their character, they will grow in holiness and the HOLY SPIRIT will make them grow in wisdom and understanding. Well, this, according to verse four of Daniel 12, will happen only at the end, in the time of the end, and according to verse nine, it says: "in the time of its fulfillment", or in the extremity of the end. I believe that both translations are valid because this book cannot be understood before. Not even the generation of a hundred and fifty years ago or a hundred years ago, the Adventist pioneers, could not understand Daniel 11 and 12 because it was not the time of its fulfillment. It could have been at that time, but the LORD knew when the fulfillment and the end was going to be, and HE has said that this will be understood only when, in this world, these beasts will arise and the wound will be healed, and when certain political events will happen in this world for the saints of the LORD to recognize. We remember that, in ancient times, Isaac Newton and other Christians have recognized the papacy as a fulfillment of Bible prophecy because they have looked into the world. Some say that we should not look at what is happening in the world to understand the prophecies, but the Bible tells us that we have to look because many things will happen in the world and we have to be attentive to recognize when Daniel, chapter 11 will begin to be fulfilled. It will not do them any good, as it happened to Judas, who finally ended up in the outer darkness, where there is weeping and gnashing of teeth. In the same way it will happen to all those who will ungodly try to do the work of GOD. There is a warning also for this in the Bible, where it says: "Woe to him that wickedly tries to do the work of the LORD". We are going to talk on this occasion about many books of the Bible that we have received last Sabbath and this Sabbath. Last Sabbath we have not recorded because we have studied what the LORD has given us and when we looked at the time it was too late, the whole day had passed. We did not realize how fast the time had passed.

So we remember that last week, not this week that is ending today, but the other week, the 490 days of war on the border of the democratic world had been fulfilled. And we have said that something can happen and it has happened, exactly then, when it was fulfilled, the unexpected incident, just as GOD does and as HE has done, in the past, in the second world war, unexpected things that have changed the course of the war. The other week, before the Sabbath when we have not recorded, in that same week the 490 days of war had been fulfilled and exactly at that time, Prigozhin, the head of the Wagner group, those mercenaries who had committed atrocities in Ukraine, has turned against the Russian government and has marched towards Moscow with about 20,000 well-trained soldiers to the point that Putin I think panicked and issued some threats. And yet none of that stopped them, but a phone call, supposedly, a phone call from the president of Belarus. If the LORD had allowed that, maybe the events to be fulfilled would have been stopped. But this has changed everything because since then you see a weaker Putin, everybody sees a weaker Putin and probably the end of his rule has begun more clearly. Many media say this, many analysts say that the end of his government is very near. But the LORD has interrupted it; HE has only shown that HE can do whatever HE wants, but certain events have to happen. And we will see in the books that we will study today that these final events have to happen. We are in the time of the seven seals, as we have understood. We have many signs; those who have not listened to the previous themes and the themes since the beginning of

the war cannot understand why we say this. And we also cannot repeat so many things that we have recorded. Sometimes we will mention some event or some interpretation, but those who want to understand better have to make the effort to listen, just as the multitudes made the effort to listen to JESUS. And those who did not listen, like Judas for example, stayed in the darkness or abandoned JESUS, they could not link HIS words, the parables, in their minds, because if they were not attentive to one thing that JESUS said then they lost the thread, the sequence of events, and this is very dangerous. Here in Daniel, chapter twelve, it says that the wise will understand, but not without effort, but with effort, one must make the effort. One must make the effort. How do we know that with effort? Daniel fasted for twenty-one days. And I personally believe that he fasted for twenty-one days because here the twenty-one apocalyptic prophetic events are considered. "I appoint thee a day for a time," because the word that is translated "a year" can be translated "a time." "I appoint thee a day for a time"; let us remember this Bible verse. So he, probably inspired by GOD, has fasted one day for each event that he was not going to understand, but the wise were going to understand. So he has made the effort that he had to make and that is why he has been able to receive the word. He did not understand what he wrote because it was not for his time, he did not live in the end time, but I think it is possible that Daniel is alive now in heaven in order for the LORD to fulfill his soul's desire to understand. He has raised prayers to understand what he saw and the great destruction and slaughter that the fourth beast was going to commit. It has not been explained to him so, perhaps, the LORD has resurrected him so that, from heaven, he can understand his visions. We are in the time when the fourth beast, the last beast, is acting on earth. The book of Daniel is not yet fully understood, we are in process. Sometimes we had to advance little by little, sometimes change some interpretations, but this process is irreversible and will end with the complete understanding of the book of Daniel and Revelation. It is necessary for this to happen just as it has been necessary in Ellen White's time for all the pioneers to write, one after another, different understandings about the prophecies, and little by little the LORD has increased the light they have had. In this process of understanding we cannot avoid this way of having to change certain interpretations because Ellen White has said it in a quote: "if the future will show that one of our teachings has been wrong, we must accept it". She has said that because it is necessary for the man of GOD to keep searching the Bible and keep interpreting, but the light has to come when GOD allows it. That is to say, one can write a lot and throughout the years all those who have interpreted the prophecies have had to change and improve the understanding because GOD releases each truth in its time.

It is little by little, like the sun rising until the day is perfect. So for those who understand this it will be easy to walk this path we are on since the beginning of the war in Ukraine and even before; there will be no reason for disappointment for any of those who understand the way GOD works with the weak human being. Last Sabbath has been the Sabbath of exception we have had, and I believe we have had some other Sabbath when we have not recorded; nor did the prophets have visions every Sabbath, every month, or even every year, but when the LORD would give a Word. So there is no reason for those who are discouraged, because there are many recordings

of the past to study. There is much to study and on the Sabbaths when nothing is published from the Madison Institute, those who want to become knowledgeable in knowing the future, those who purify their lives, should go over the recordings of the past, go over all the themes, listen carefully to all the themes, write down in a notebook every interpretation, even if only with a title, write down all the interpretations that have been given in succession over time. We are going to open our Bibles to Jeremiah 23, 24, 25. We are going to mention some things from each book because we are going to go through many books. We're going to go through Jeremiah, through Daniel, through Zechariah - these are from last Sabbath, and this Sabbath we have Habakkuk and we have Amos. We are going to look for certain elements in each of these books that will help us better understand Daniel 11. Let's remember that our purpose is to understand Daniel 11 because Daniel 11 is the promise given to Daniel. Let's read Daniel 10:21. The angel Gabriel says to him, "I will declare to you what is written in the scripture of truth and there is none that shall strive with me in these things, but MICHAEL, your prince," who is JESUS. So, then follows the angel Gabriel speaking in chapter 11 and 12. All of this is one vision, it is one message given to Daniel. So, for those who want to understand what is written in the scripture of the truth in the heavens, before the FATHER, they will make the effort. It is not necessary to do theological schools to acquire this knowledge, but it is necessary to purify your minds of all selfishness and all evil. We are going to open in Jeremiah. We have had, at the beginning of last Sabbath, Jeremiah 23, 24, 25 and we are going to read just a few verses. We're going to read from verse 18, the first verses of the two pages where the Bible was opened last Sabbath at the beginning of the Sabbath. Jeremiah 23, verses 18, 19 and 20. "For who stood in the secret of I AM and saw and heard HIS word? Who was attentive to HIS word and heard?" It is a question that will be answered by those who will cleanse their lives of sin. Only in this way can one enter into the secret counsel of I AM. Only the one who purifies his life in the way of the sanctuary can reach to enter the most holy place where the throne of GOD is; by faith, spiritually, his life will be hidden in CHRIST JESUS and he will be able to understand the future, he will be able to understand the secrets of the LORD. The Bible is like an end-to-end encrypted language, as we have read today that these messages are encrypted; it is an encrypted book and I believe it is the most complex encryption code there is because it is a code of more than a thousand pages of Bible and only GOD can reveal the secret. Verse 19. "Behold, the tempest of I AM shall come up in fury; and the tempest that is prepared shall fall upon the head of the wicked. The fury of I AM shall not depart, until HE have done, and until HE have performed the thoughts of HIS heart: in the latter days ye shall understand." This verse is in harmony with what we have read in Daniel, chapter 12. It will only be understood in the last days, only by the last generation. But I do not believe that those who understand will understand it after it is fulfilled, but before because, in the New Testament, GOD assures us that that day will come without warning as a thief comes in the night and robs the house, but only for those who are ungodly. "But for you," it says, "who are sons of the day, that day will not come without warning." And we will see that on these two Sabbaths the LORD has even given the verse... We had better read now in Amos the verse that the LORD has given us this very Sabbath in this service when we are recording. He has given us

Amos 2, 3 and 4. And in Amos 3, verse 7, it says, "For the LORD I AM will do nothing, except HE reveal HIS secret to HIS servants, the prophets." And in this context we also have verse 3: "Shall two walk together, except they be agreed?"

That is, the LORD will not walk with him who is unholy. The LORD is holy, HE walks in holiness, HE is light. So HE will not take by the hand the one who walks in the opposite direction, towards darkness. The LORD will walk with those who are wise or knowledgeable, stars of the LORD who purify their lives. To walk with GOD means to enter into HIS counsels, to understand HIS secrets, to be a collaborator of GOD. And verse 2 says: "You only have I known of all the families of the earth, therefore I will visit against you all your iniquities." We will study this because we are not interested in the past because what formerly has been literal and local is now worldwide and symbolic. Now it applies symbolically, so we are not interested in what has happened in the land of Israel, we are interested in its spiritual significance for these last days. From chapter 1 in Amos, the LORD speaks of some punishments that have to come upon the land and we just read in Jeremiah 23. We have to have a bookmark in each one of these books that we have mentioned: one in Jeremiah 23, 24, 25, one in Daniel 10 and 11, one in Zechariah 3, 4, 5, 6, one in Habakkuk 2 and 3 and one in Amos 2, 3 and 4. Then, in Amos, chapter 1, 2, it talks about some punishments that have been announced here in Jeremiah 23. Let's read again in Jeremiah 23:19,20. "Behold, the storm of I AM shall come forth in fury, and the tempest that is prepared shall fall upon the head of the wicked. The fury of I AM shall not turn away until he has done and until he has fulfilled the thoughts of HIS heart. In the latter days ye shall understand." Why? Because then it will be fulfilled. Here it speaks of the wrath of GOD that will come, it will be poured out as punishment for the wicked, for the wicked of the earth, who in the book of Revelation are said to be gathered into the winepress of GOD. The winepress of GOD is the cities, the great cities all over the world. The wrath of GOD will come upon the whole world, it will not come only upon Russia, China and other dictatorships. The fury of GOD will come first of all on those who have known the Word because in Amos 3:2 it says: "you only have I known of all the families of the earth, therefore I will visit all your iniquities upon you". The word "know" here is the word used between husband and wife. Here it speaks of marriage. The LORD will judge first those who have had the most light about HIM, the Christian world to say so, the western world. We have said, we have shown so many times that the punishment will first come upon the wicked of the western, democrat world. Although it may seem illogical to some, it is not to GOD. GOD has always done so. GOD has always judged first those who have had better opportunities, more light. We have to open our minds and understand that this is worldwide and this has to do with HIS worldwide church which is the whole earth. "The whole world is MINE. I am the GOD of the whole earth," the LORD has said. The world is HIS church. In this church there are some who have had the opportunity to have freedom and be able to know GOD and read HIS word. In the western world the Bible is found with the hundreds of millions of copies everywhere. Everyone who wants to have a Bible only has to pay three euros or five euros and he can have his Bible. But in the world of oppression, in the dictatorships, there is no Bible. It is forbidden. They have not had the opportunity that we have. And here it is not only about some people, about some church. This is about everybody.

The whole western world has had the opportunity to overcome their selfishness, they have had the opportunity to receive of HIS fragrance, to receive the benefits of the work of the HOLY SPIRIT. They have had the freedom to choose their ways without oppression. And those who have preferred to spend all their powers and all their energy in enriching themselves in the riches of this world have lost the spiritual benefits, the only ones that can help them to attain eternal life. So the LORD JESUS has said for those who have walked in a wrong way, "use now your riches, mammon, earthly riches, to make friends for eternal life". That is, use that now if you have repented of that evil way. Use all that you have acquired to help many, as it says in Daniel, chapter 12, "to walk in righteousness and to be saved".

So in Jeremiah it speaks of a fury of I AM that will be poured out, and in Amos, what the LORD has given us, let's read some words from chapter 1 onwards. I will read from verse 2. "I AM shall roar from Zion, I AM shall utter HIS voice from Jerusalem. And the shepherds' habitations shall mourn, and the tops of Carmel shall be dried up." It's symbolic language. And now it begins and says in 3: "for three sins of Damascus and for the fourth I will not turn away their punishment." Verse 6: "for three sins of Gaza and for the fourth I will not turn aside their punishment." Verse 9: "for three sins of Tyre and for the fourth I will not turn aside their punishment". Verse 11: "for three sins of Edom and for the fourth I will not turn aside their punishment". Verse 13: "for three sins of the sons of Ammon and for the fourth I will not turn aside their punishment." Chapter 2, verse 1: "for three sins of Moab and for the fourth I will not turn aside their punishment." We have here six heathen places, so to say, which are already sentenced to be punished. But now follow two others which are one, to say so; they are seven in all, although here they are eight, but the last two speak of Judah and Israel, which symbolically represent the western world, the democratic world. And it says, verse 4 of chapter 2: "for three sins of Judah and for the fourth I will not turn aside their punishment". Why? "Because they despised the law of I AM." This has happened, beloved brethren. In the West there are sins also. There are sins because "they despised the law of I AM and kept not the ordinances thereof." Verse 5: "I will therefore bring a fire into Judah, which shall devour the palaces of Jerusalem". Verse 6: "For three sins of Israel and for the fourth I will not turn aside their punishment, because they sold for money the righteous and the poor for a pair of shoes". I would say that Judah is the United States and Israel is Europe, or the other way around, but that doesn't really matter; they are the Democrat world that will be punished first of all because they have used freedom and all the benefits of GOD, special blessings of GOD, to commit the works of Satan, not to sanctify themselves, not to keep HIS law, and to do whatever they have wanted to do. This has happened time after time, literally and locally in antiquity, with this people of Israel. They have always, always done the same thing because one, in freedom and prosperity, forgets the law of GOD and thinks he can do anything because GOD is with him and begins to commit abominations. The same has happened in this western world where GOD has given blessing. It is true that not with all, but with many, with the majority. The majority have chosen the way of Cain or Edom or the evil way, not the way of Mary. Mary has chosen the good part that will not be taken away from her. But many have chosen the

bad part that will be taken away from them. And these will be gathered in bundles or in the winepress of GOD, in the cities. They will be gathered together to be punished. We have shown this many times. And if we also remember the documentaries that we have published to be seen, because there is light and there is understanding in them, we can understand that in the second world war Hitler is the one who has attacked first and for many years he has destroyed Europe until almost all of Europe has been conquered by him. A lot of killing, a lot of destruction. The LORD has allowed him to do this because there was also a judgment to be fulfilled against the wicked, against those who had enriched themselves, probably unjustly, selfishly. He had to fulfill a judgment against the West before destroying this evil power, Nazism. But at the beginning, for years, maybe for three and a half years, although there have been more years from 39 to 44, 45, but the main destruction I believe has been three and a half years, as the word of GOD announces. GOD has allowed this. Why is that? Because Amos 3:3 says, "Shall two go together if they be not agreed?" That is, will GOD go covering, protecting the west if the west would not agree with HIS holiness, with GOD's holiness, without the west changing its character? Does GOD go blindly like that and give the sun over good and bad for eternity? No, GOD gives sunshine on good and bad and rain on good and bad for a while. And then comes punishment for those who, covered with HIS blessing and HIS freedom and HIS prosperity, have done evil. And for the others who have worked righteousness, there comes greater blessing. This has happened with the disciples and with Judas. Judas, under the protection and care of JESUS, has worked wickedness in his mind and in the end has reaped the fruit of what he has worked.

All this will happen to all the wicked in this world. GOD will punish everyone, in the whole world, who has not overcome his selfishness. GOD will punish all the wicked, all the cruel, all those who are self-centered, starting with the west. And why do we say it will start with the west? Because we have explained with the Bible many times that, just as this little sign given during the seven seals, right now in the Ukraine, this destruction that is there, this will happen in the whole western world. It has been allowed only to enter Ukraine, and not in all of Ukraine, but in the part of Ukraine that is bordering Russia. This is exactly what Daniel 7 has announced. There is a lot of destruction. Of the fourth beast it says that "the remnants, it has crushed with its feet." And this is the whole landscape after the withdrawal of the Russian troops, everything ruined, destroyed. This is only the beginning of sorrows, as it says in Matthew 24. This is an announcement of what will come upon the world. Let's remember the year 66. The Roman troops have surrounded Jerusalem. And this is what really happened last year. The Roman troops, Roman in character, that is to say, cruel, have encircled the west, or have come to the border, to the gate of Jerusalem, which is the west. They have set up their banner in the land that should be holy ground, as Jerusalem should be a holy city, although it was full of wickedness and murder and adulterers. But the real destruction came only in the year 70, three and a half years later, exactly three and a half years or 1260 days.

The destruction came later. And Ellen White says, in chapter 1 of the "Great Controversy", that what happened to Jerusalem will happen to the whole world. That is, Jerusalem is a symbol of the western world, of the whole world, I think western,

because it is holy ground, it is ground where HIS Word is found, HIS Word has been able to work in the minds of the people. So, at the moment, we are in the three and a half years of signs, of warning, when some choose the left and others choose the right, when some choose to continue walking in selfishness, even though there is war and there are people in this world who cannot live free and happy as they do; they don't care and they continue enjoying life without caring about what happens in Ukraine although there are many other places in the world where the oppressed of GOD, the poor and the oppressed suffer. And that is also allowed by GOD so that the selfish can change, because JESUS has said, "You will always have the poor among you." Why? So that you may change. This is the opportunity that GOD gives to the selfish to change. And there has been for a long time suffering in this world. And many selfish people have remained selfish, as Revelation says. After every plague it says, "And men have not repented of their sins." This is the situation. And now, because the end of everything has come, the LORD has allowed, at the gates of Europe, the Roman army to appear. We have already explained this, we will not insist on it too much. We only mention it to link it with these books that the LORD has given us. And here it says: "For the LORD, I AM, will do nothing unless HE reveals HIS secret to HIS servants, the prophets". Why does it say HIS secret here? Let's go back to Jeremiah 23, which He has given us, the previous Sabbath, The LORD. And here he says, after verse 20, where we have read at the end of the verse, "In the latter days ye shall understand." Let's read on. "I did not send those prophets, and they ran. I did not speak to them, and they prophesied". And after this verse 21, in verse 22 the same word is used, "secret". "And if they had been in MY secret, they would also have caused MY words to be heard by MY people, and would have turned them from their evil way and from the evil of their doings." We see clear connection between Amos 3:7 and Jeremiah 23:22. It is the same thing. There are many who think they are prophets and speak, as has been announced in Matthew 24, there will arise many false preachers, prophets, anointed ones, even at the political level, many analysts, many who think they can understand the future, but being in wickedness, and do not announce true things. Here it says: "Who has entered into MY secret?" Who of all the wives of Solomon has stayed in Solomon's secret, in his secret room, in his marriage chamber? Not one of the thousand he has had, for he has said, "Among them all I have sought one, a holy one, one faithful to GOD, and found none." It is the same with GOD looking in this world for someone who can enlighten, whom HE can use as an announcer of HIS secrets, of the future of the world, and HE does not find. So there is much that is published today, but there is also much that comes from Satan and not from GOD. There is very little that comes from GOD, as in the old days it was the little, tiny group of JESUS that published the truth. And there were many synagogues of Satan, many synagogues of Pharisees and Sadducees and priests who did not publish the truth, but their Talmud, their traditions and their inventions, because they were not able to enter into the secret of the LORD. And here in Jeremiah 23, 24, 25, after that, after this vision of the very good and very bad figs, the LORD gives the promise, gives the vision in verses 6 and 7: "And I will give them an heart to know me, that I am I AM. And they shall be MY people, and I will be GOD to them, for they shall turn to ME with their whole heart." These are the good figs, very good figs. That is, the figs are the people in

this world. And the people can be good or bad, very bad. Good people are included in these figs or good, very good people, those who are going to repent, those who have walked in wickedness, like Zacchaeus, for example. He has done wrong, he has become rich, he has defrauded, but in the end he has repented and has become a good fig. So the LORD here shows the two groups of people who will eventually remain in this world. Everyone will have to choose left or right. We are going to go now to another book that we had last Sabbath in worship, besides Daniel 10 and 11 that we will not deal with; this is the goal, little by little, over these three and a half years, maximum three and a half years, we will understand it, little by little. Ultimately, it is my hope that we will understand it completely at the end of these three and a half years, the time of the seven seals.

So, the LORD has given us Daniel 10 and 11. About Daniel 10 we have commented on certain verses, the time of the 21 days, and also about the book of the truth that the angel Gabriel wants to give to the world, but he does not find whom. And we are going to read from the other book which is Zechariah 3, 4, 5, 6. Let's go to Zechariah 3, 4, 5, 6. These are the two books that HE has given us in the worship service last Sabbath, one at the beginning and one at the end, or it has been opened at the same time, because sometimes the Bible is opened in two parts at the same time. And in Zechariah we have also the promise about Jerusalem being inhabited without walls; "Jerusalem shall be inhabited because of the multitude of men and beasts in the midst thereof." The men are the men of the west, the men of Jerusalem, for Jerusalem is the west, or is the kingdom of GOD on earth, liberty and happiness and life in abundance. And here there are men and there are beasts. The beasts are the Gentiles who will be added and take the place of many of the unrepentant men. And here in chapter 2:4 is what we have talked about. Verse 5: "And I will be to her, saith I AM, a wall of fire round about, and I will be for glory in the midst of her." And now, surprisingly, the next verse says: "Woe, woe, flee ye from the land of the north, saith I AM: for I have scattered you toward the four winds of heaven, saith I AM: woe, O Zion, that dwelleth with the daughter of Babylon, flee ye!" We see here that it says Zion, "Zion that dwelleth with the daughter of Babylon." It is about these who in verse 4 are named animals. Elsewhere it speaks of other animals of another form, all meek, representing the Gentiles. So here we have Revelation, chapter 18: "Flee from the land of Babylon, MY people, lest ye receive of her plagues." Verse 11 makes it even clearer: "And many nations shall be joined to I AM in that day, and shall be MY people, and I will dwell in the midst of you, and then you shall know that I AM of hosts has sent me to you. And I AM will possess Judah, HIS inheritance in the holy land." What is the holy land? Here it is mentioned. "In the holy land, and shall yet choose Jerusalem. Let all flesh be silent before I AM, for HE has awakened from HIS holy habitation." The question is, when does GOD awaken from HIS holy habitation? When GOD wakes up, HE wakes up from HIS holy habitation. There are two moments when this happens. One is the trumpets and the other is the plagues. In the plagues, the LORD JESUS CHRIST HIMSELF changes HIS garments after closing the door of grace and is going to bring the final punishment upon the wicked in this world. And in the trumpets, which is a time before, the LORD will punish in the west, in the western world. He will protect HIS saints and punish the wicked at the same time. He will allow, probably, the third world

war that this Ukrainian war announces. There has been talk, many have acknowledged that this heralds a world war. And yet many have their ears closed. Then, in Zechariah, we have in chapter one the horses that we find in Revelation, chapter six, which speaks of the time of the seals. And at the same time, these events or prophecies in the book of Zechariah go along with what was literally happening. Jerusalem was in ruins. So, this is the time when the LORD, through Cyrus, has delivered HIS people and sent them to build a house for their GOD. This study is a little longer, we are not going to mention it, only to understand that it is a symbolism, a parallelism, that reconstruction of the temple and the walls of Jerusalem of old for the present time of the reconstruction of the new Jerusalem, so to say, of the holy people of the LORD, which is the new Jerusalem, the bride of the Lamb, inside whose walls will also enter the Gentiles, or the redeemed people, the guests at the wedding. And here again we find this going over the land. "We have traversed the earth, and behold, the whole earth is at rest and still." Verse eleven of chapter one. The question is, when is a person at rest and still? When he sleeps. Probably what is meant here is that the world sleeps. That's exactly what happened while Hitler was arming himself in a rapid way, in a tremendous way. The whole Western world was sleeping. It could not see the danger because his words, Hitler's words, were lies. He was saying, "I am a man of peace, I am not going to do anything; my desire is peace, I have been through a war." Because he had been a soldier in the First World War. "I have been through a war and I no longer want wars," and all kinds of lies just as today this fourth beast speaks with lies. And the western world has even disarmed. They have even believed his lies and is sleeping on the road to prosperity.
